## PERSONIFICATION CHART: LIVING THINGS FROM A MANGROVE

1. Look at each living thing found in the mangrove. Think about where and how it lives.
2. Read the characteristic that is realistic. This is something that is true about the living thing.
3. Next, make up a characteristic that is human-like for the living thing.

Type of Living Thing	Picture of the Living Thing	Realistic Characteristics Add as many as you like	Human-Like Characteristics Give each a name and at least one human-like characteristic
e.g., mangrove tree leaf		<p><i>Thick</i> <i>Waxy</i> <i>Stores fresh water</i></p>	<p>Name: <i>Leafy the Mangrove Leaf</i> Human-Like Characteristic: <i>likes to dance to the birds' songs and dance with the wind</i></p>
