

An aerial photograph of a tropical island, likely in the Maldives, showing a resort complex with several buildings and swimming pools. The island is surrounded by shallow turquoise water with visible coral reefs and sandbars. In the background, a larger island with a mountain peak is visible under a clear sky.

# PRE-EVALUATION

An aerial photograph of a tropical island, likely a resort, surrounded by clear turquoise water. The island features a large building complex, a swimming pool, and lush greenery. The background shows a vast expanse of the ocean and distant landmasses under a bright sky.

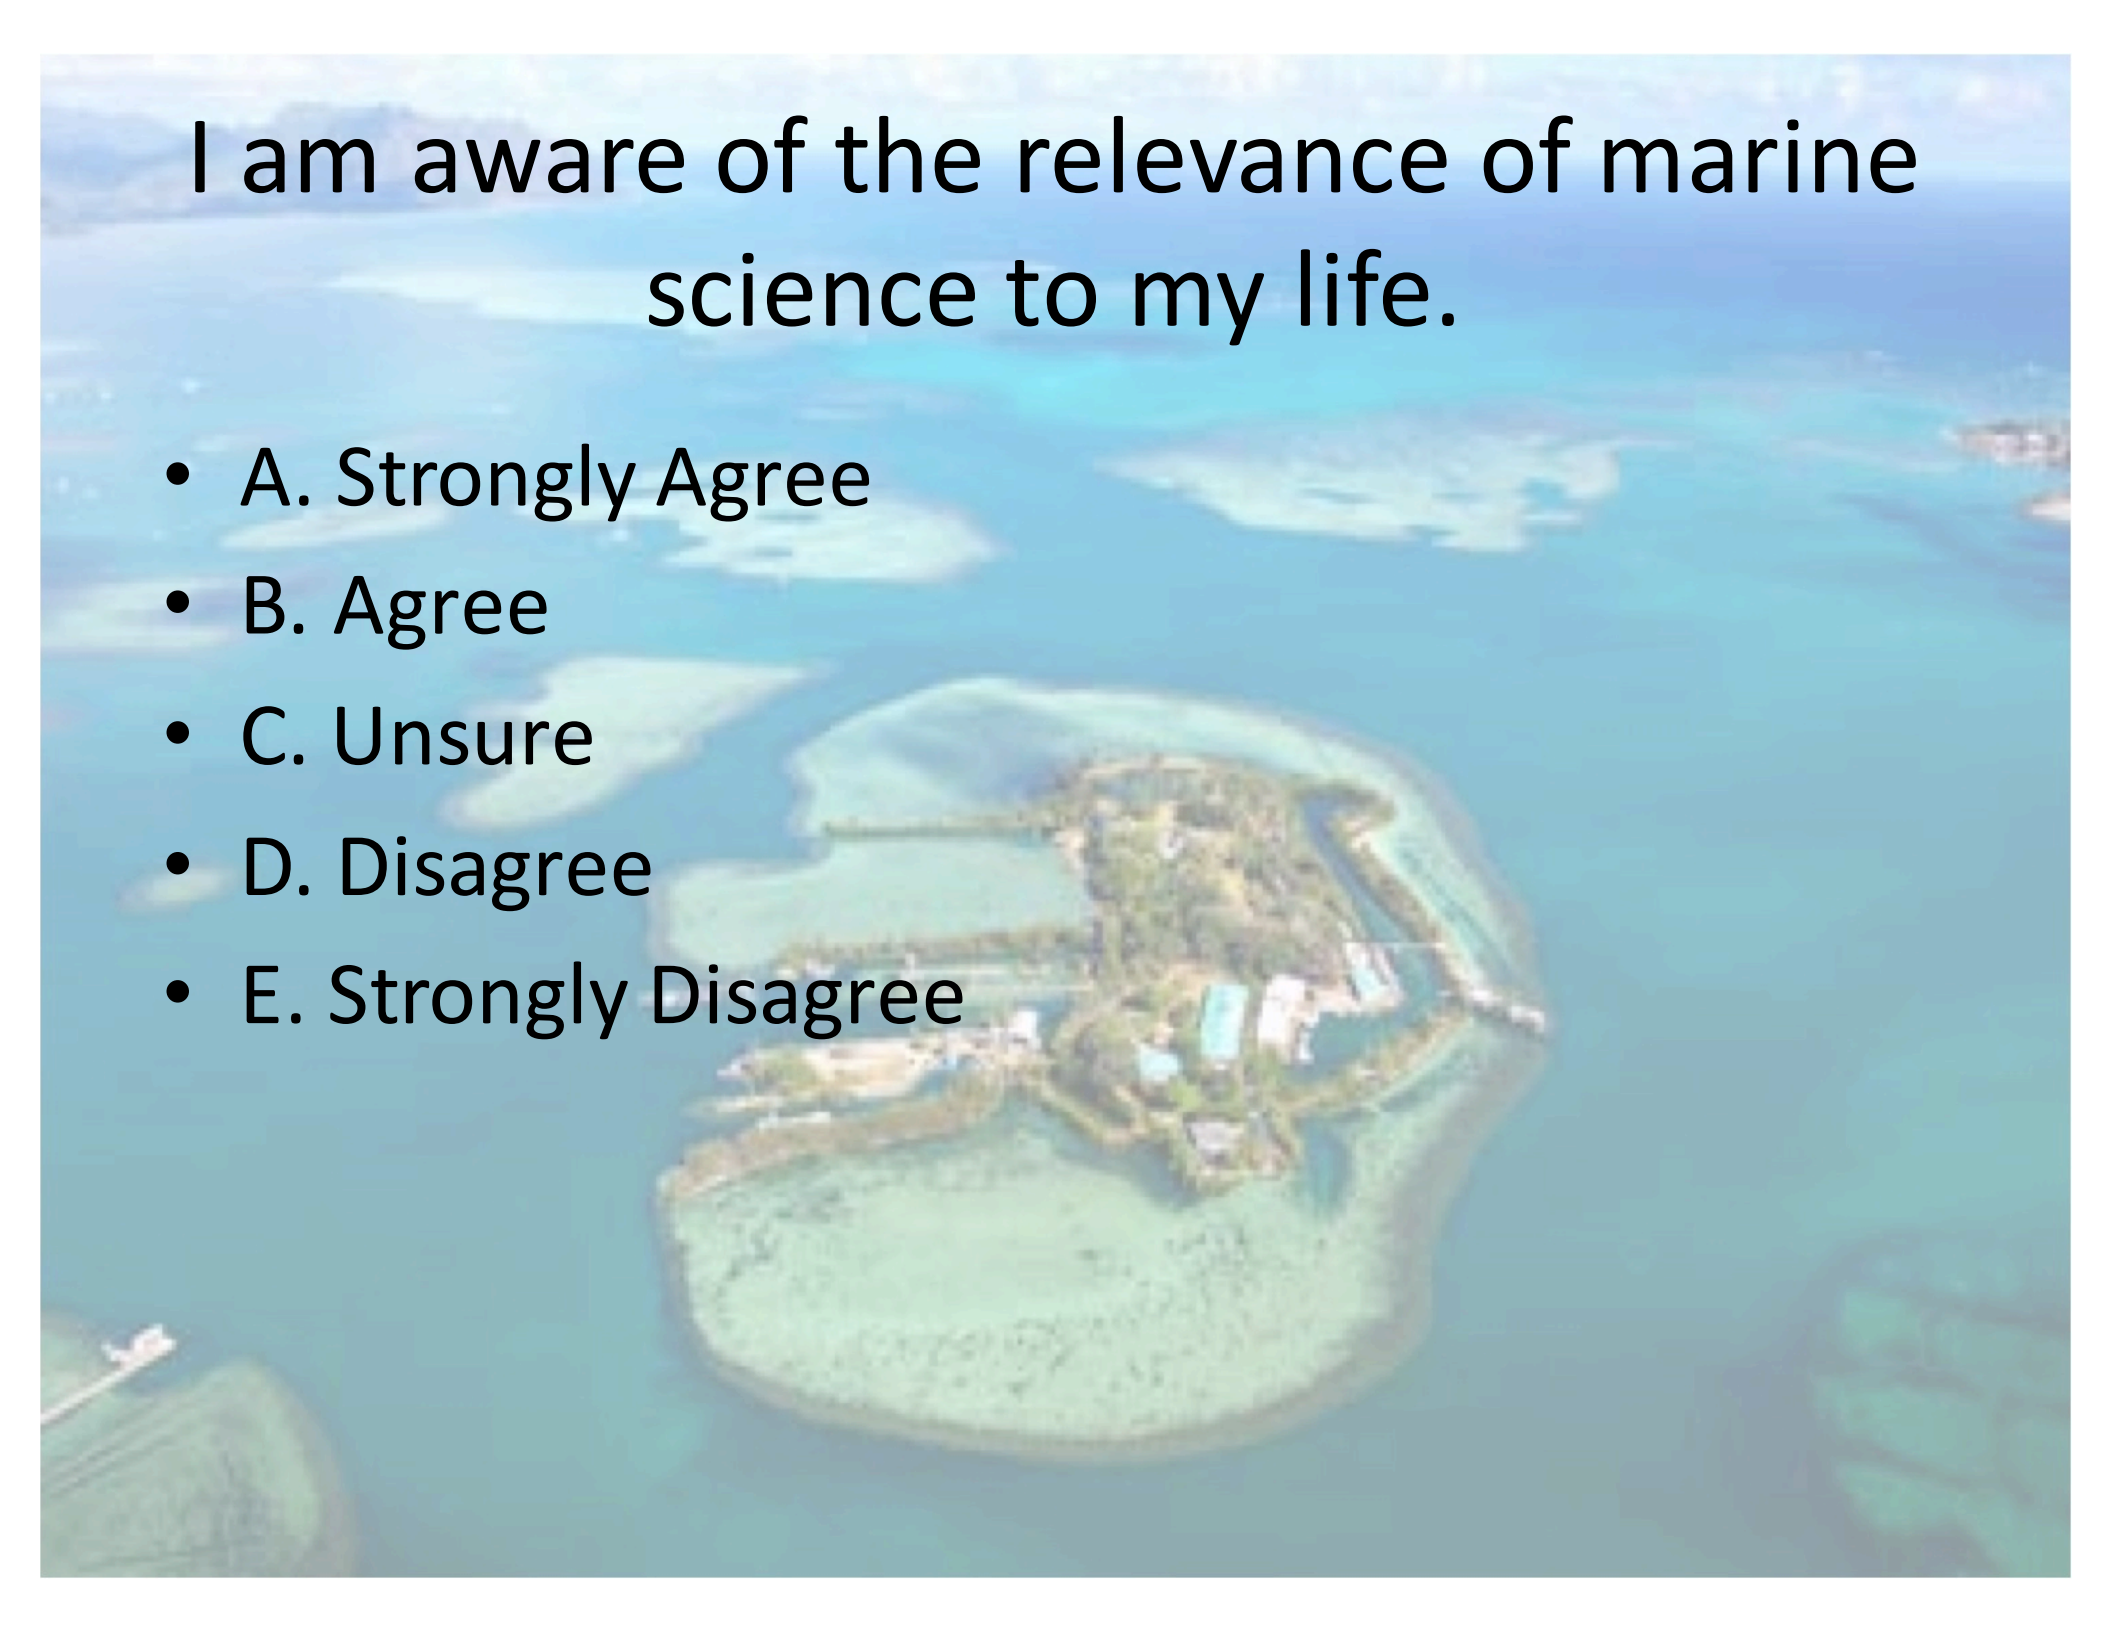

I understand how to make and test a hypothesis.

- A. Strongly Agree
- B. Agree
- C. Unsure
- D. Disagree
- E. Strongly Disagree

An aerial photograph of a tropical island, likely in Hawaii, showing a central lagoon with a small pier, surrounded by coral reefs and turquoise water. The island is lush with green vegetation and has several buildings and a swimming pool visible. The background shows more of the island and the ocean under a clear sky.

I care about protecting Hawai'i's  
marine environment.

- A. Strongly Agree
- B. Agree
- C. Unsure
- D. Disagree
- E. Strongly Disagree

An aerial photograph of a tropical island, likely in the Maldives, showing a central lagoon with a small island in the middle. The water is clear and blue, with visible coral reefs and sandy beaches. The island has some buildings and greenery.

I am aware of the relevance of marine science to my life.

- A. Strongly Agree
- B. Agree
- C. Unsure
- D. Disagree
- E. Strongly Disagree

An aerial photograph of a tropical island, likely a resort, surrounded by clear turquoise water. The island features a large building complex with a swimming pool, surrounded by lush greenery. The water transitions from shallow, light blue near the shore to deeper blue further out. The sky is bright and clear.

I am interested in the subject of  
marine science.

- A. Strongly Agree
- B. Agree
- C. Unsure
- D. Disagree
- E. Strongly Disagree

An aerial photograph of a tropical island, likely a resort or research station, featuring a central lagoon with several buildings and a pier. The surrounding water is clear and turquoise, with visible coral reefs and smaller islets in the distance. The sky is bright and blue.

I am interested in a career in marine science.

- A. Strongly Agree
- B. Agree
- C. Unsure
- D. Disagree
- E. Strongly Disagree
